# GRIFFINS IN ACTION

by Michael Williams, Basketball coach

It's not just me. Everyone is feeling the house spirit these days. You could see it on the air last week, around lunch time, during each game of our 2016 House Football Tournament. The competition was fierce, but in the end, each division produced a clear winner. In a display of defensive cohesiveness and toughness, the girls from Baba Yaga managed to prevail over a highly-skilled Kraken squad.

On the boys side, Phoenix caught fire, blazing their way to a 3-1 victory over a Kraken squad that wouldn't go away without a fight. Thanks to all participants and congrats to our winners. House bragging rights are yours, for the moment.

## Easter Eggs Display

by Brian Jacob, 6C Homeroom Teacher

*There was a super display of Easter Eggs organized and made by the students and teachers of Year 6C class. The colorful exhibits of the eggs came well on time for our Parent-Teacher Conference days on the 24th and 25th of March. The Display was excellent and every one at school - MIS Students, Teachers and Parents got a chance to see the great work of the students of 6C class.*

*Congratulations to the Competition winners and a big thank you to all who organized it.*

# Secondary Shakespeare Day

by Corinne Cox, HS English Coordinator

*Friday, March 25th marked the occasion of Myanmar International School's second annual Shakespeare Festival.*

*Students and teachers gathered in the auditorium to witness a cultural showcase featuring music, poetry, and drama by Shakespeare and his contemporaries.*

*Students showcased their filmmaking skills with action-packed film adaptations of *Macbeth* by Year 10 and the comedy styles of Year 7's adaptation of the play within a play from *A Midsummer Night's Dream*.*

*There were live performances of Shakespeare's works as well, including Year 8's dramatic rendition of *The Tempest*, the drama elective's beautifully-acted *Romeo and Juliet*, and Year 11 Literature's suspenseful performance of *The Merchant of Venice*.*

*The audience was also treated to Renaissance music performed by Ms. Liane, a recitation of sonnets by Year 9, an informative presentation regarding the reasons that Shakespeare endures by Mr. Harris, a little impromptu dancing, and a magnificent feast provided by Year 7.*

*The festival was a delightful and educational celebration of history's most influential writer, and the Bard himself would surely have been proud of the efforts put forth by secondary students and their teachers to honor his work.*
