Excellence Can Be Obtained If You:
Care more than others think is wise
Risk more than others think is safe
Dream more than others think is
practical
Expect more than others think is
possible.

Excellence as part of REACHES

by Chloe Burns

Homeroom class 7.2 gave a 10 step guide on how to achieve excellence at MIS at a recent assembly. Some of the steps included: Believe You Can Do It, Build Concrete Plans, Go All Out to Work Really Hard, and Be Adaptable. We ended by saying, "MIS STRIVES FOR EXCELLENCE."

Happy Birthday, MIS!

We marked the seventh anniversary of the opening of the School with a great celebration. The entrance lobby became a dramatic concert venue as our very own Myanmar Girls, Sandy, Magnolia, Chu and Arigail of Year 11, performed songs including Let It Be and, of course. Seven Years making full use of our grand main staircase. Katy Perry's Firework was enhanced by huge party poppers being fired from the first floor landing and everybody enjoyed the finale of Heal the World. Their fellow students gave the performers a richly deserved ovation.

Our absolutely enormous Birthday Cake was cut by distinguished guests, Daw Ni Ni (The mother of our President, Daw Mie Mie), Dr Win and Dr Thint Lwin. Miss Anna gave a short speech celebrating the way the school has grown so much since its small beginnings and yet retained its happy family atmosphere. Astonishingly, there was enough cake for everybody to have a piece and the chef somehow managed to feed over 500 people with noodles inside one hour.

MIS is a happy school and special occasions like this bring us all together.
David Tansey, Secondary Principal

Eid Closure

I am sure that all of our students were very disappointed that School was closed on Monday and Tuesday, as of course were the staff. I took the opportunity to visit Shwedagon Paya for the first time and I was awestruck by its sheer size, the beauty of the Pagoda and the richness of the decoration. I have never seen so much gold!
David Tansey

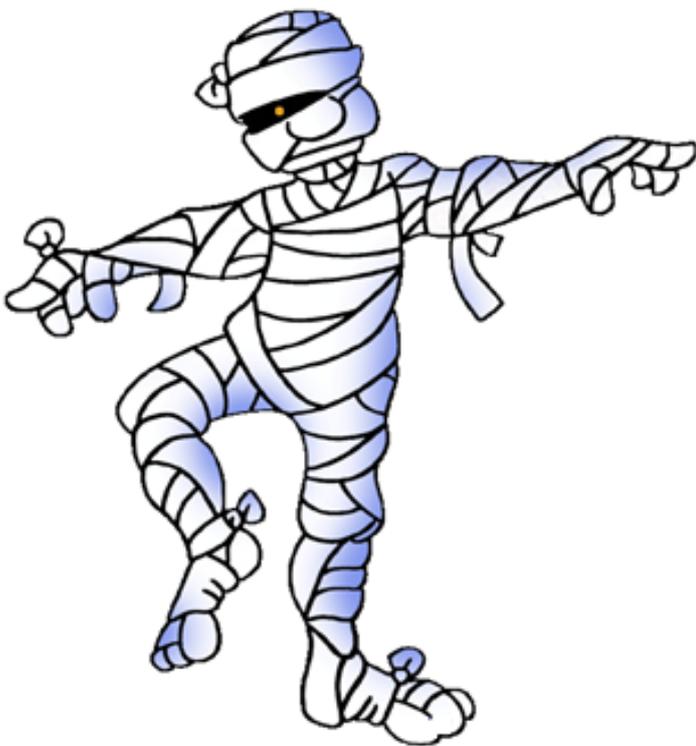

Scary Short Story Contest

Do you like to write scary stories? Are you in Primary or Secondary? If so, then this is for you.

Students from all classes are invited to submit a short story for Halloween, Monday October 31st. The only rule is that it has to be scary! Drop off your story at the library but make sure that your name and class is on the front.

There will be prizes for the winners. So, get out your pens and try to scare the librarians. Remember we like to see

After School Program

The beginning of the school year has been a very busy time, and the After School Programme has finally started! Each quarter, the teachers at MIS will be offering an after school activity to the Primary students. Each student may choose an activity to participate in and each club is limited to 20 students. This quarter our clubs include drawing, music, games and yoga. We have 200 students participating in clubs this quarter. We will be announcing the clubs for 2nd quarter in a few weeks. Mrs. Shelly from Year 4A will be coordinating the activities and you may contact her if you have any questions.
